General Manager Report:

Thank you to all the members for your support and understanding during the rebuild. The current works see the roof on the main area almost complete.

The roof over the proshop will be completed next week, but is subject to weather. This roof needs to come down in its entirety before being rebuilt.

The ladies locker room ceiling is currently the only area of the demolition that needs to be completed. This will happen in the next week or so.

Building works are progressing and we still anticipate an August finish. If this is to change members will be informed.

Jarrold Lyle Update.

The new website is www.jarroldlylegolf.com and people can still send messages of support at www.jarroldlylegolf.com/messages-of-support.

It's now less than 30 days to his return to the US, with his first event being listed as July 24 -27, Midwest Classic, in Kansas.

Trophies.

All trophies are now being recorded by the club. These have been recorded since the 15th April. Shepparton Golf Club Vouchers are redeemable at the pro shop or at the bar for the time being. With a more expansive area to be allocated for their use, once the building works are completed.

Golf Carts to remain outside the hooped area behind and beside the 18th green. Not to be driven between the motel and the office. This is in the interest of safety to fellow golfers and motel patrons.
