Staff Announcements

Dear Members

It is with pleasure that I announce three exciting staff recruitment developments to you.

Chris Tomlinson has been appointed to the position of full-time Shop Assistant in the Pro-Shop and will commence on Thursday. Chris comes from Cobram and brings experience in Pro Shop operations from his previous role at the Cobram-Barooga Golf Club Pro Shop. Chris also captains Cobram-Barooga's pennant team, represents Peninsula-Kingswood in pennant and plays off a handicap of +4.

Joining Darren and Chris in a part-time role in the Pro Shop will be Kathy Douglas. Kathy is known to us as Secretary of the Ladies Committee and is one of our very active lady members. Kathy's experience in customer service, knowledge of our Club and can-do attitude will be a wonderful asset to the Pro Shop.

We look forward to Chris and Kathy continuing the provision of excellent service that members have become accustomed to in the Pro Shop.

The Committee resolved at its March meeting to reintroduce the position of General Manager to the Club's management structure. The arrangements that we have been operating under over the past twelve months have seen a significant improvement in the Club's financial position, to the point where the Committee believes that it is now appropriate to seek an experienced and well-credentialed person to provide the expertise required to manage further growth. This decision has been endorsed by our Finance Sub-Committee.

Accordingly, advertisements for the position commenced on the weekend and we look forward to a recruitment process that will result in an appointment within the next four weeks.

*Warm Regards
Trevor Tennant
President*
