All priced to clear. At these prices stock will not last.

Buy at better than internet prices with the guaranteed service, support including custom fitting from your local golf professional.

Square Stability - Forgiveness By moving weight out and into the corners, our proven square technology delivers more stability at impact and more forgiveness on the tee box.

STRENGTH Adjustability: Eight face angle options (2° open to 2° closed) make it easier for players to dramatically correct their shot shape.

Don't pay \$400 plus

OUR PRICE \$199

Square Stability - Forgiveness By moving weight out and into the corners, our proven square technology delivers more stability through the turf.

450 Ultra Thin Face: Thinner face delivers hotter response and longer shots.

Don't pay \$300 plus

OUR PRICE \$159

Comprehensive aerodynamic engineering moves air faster across the sole, over the crown and around the skirt for incremental swing speed advances.

Square Stability - Forgiveness: By moving weight out and into the corners, our proven square technology delivers more stability in all kinds of lies.

450 Ultra Thin Face: Thinner face delivers hotter response and longer shots.

Don't pay \$200 plus

OUR PRICE \$129

Based on the relationship between an average man's height and driver length, East scaled down the measurements to Tiger's height for every club in his bag. This same formula is the basis for the TW Kids club series. With proper fit, a foundation of good fundamentals can be established that will make the game more enjoyable. Clubs specifically sized by height • Loft • Head Weight • Length • Offset • Sole Width • Grip Size. TW Kid Club 3 pieces set. Driver, Hybrid, #5, #7, #9, SW, Putter Also includes 2-Pack EZ-Distance Gold balls and lightweight carry bag • Ages 8-11 (4'3" - 4'10")

Don't pay \$400 plus

OUR PRICE \$249
