IMPROVE YOUR PUTTING: TRAINING WITH THE TRACKS

The average golfer's success rate drops from **80%** to 35% when they move from three feet from the cup out to six. That's less than half as many putts in the space of three feet!

That's a combination of poor alignment and low confidence; two factors that we address with our 'train tracks' putting drill.

WHAT'S YOUR PUTTING HANDICAP

It's the most important part of your game; but how do you know if it needs help

or not? To help you find that out we've taken the world famous 'Putting Handicap' test online.

Taking the test is quick and easy, and when you're done you can send your score, along with your details, to your local Professional for some free advice!
